

*vás zve na přednášky*

# The application of method ML - ALD for processes of nanostructuring in the synthesis of nanomaterials

*Yu. Sidorov*

*Department of Solid state chemistry  
Institute of Chemistry  
Saint Petersburg State University  
Saint Petersburg, Russia*

# Development of constructive and biomedical composites on the basis of surface nanostructuring

*A. Arbenin*

*Department of Solid state chemistry  
Institute of Chemistry  
Saint Petersburg State University  
Saint Petersburg, Russia*

úterý **18. prosince** 2018  
od **13:00**  
učebna **LP-4.001A**  
17. listopadu 12
